

Please Pay Your Dues

**Barlow Lake Association
2017 Dues**

The Barlow Lake Association exists to provide services to all lake residents. **The biggest expenses and the most popular each year are fireworks and fish planting.**

Thank you to those who paid and contributed a little extra toward the fireworks and fish planting.

Without your dues and contributions, the services provided can no longer exist. As with any business, the more we would like to pay towards fireworks, the bigger the display and potentially better selection of the day we set them off.

The annual dues for Barlow Lake are only \$40.00!

You can give your payment to your area captain or mail it to:
